

# **REPUBLIC OF SAN MARINO**

REGULATION no. 12 of 2 December 2010

## We the Captains Regent of the Most Serene Republic of San Marino

Having regard to Congress of State Decision no. 10, adopted during its sitting of 22 November 2010; Having regard to Article 5, paragraph 5 of Constitutional Law no. 185/2005 and to Article 13 of Qualified Law no. 186/2005; Promulgate and order the publication of the following Regulation:

#### AMENDMENTS TO REGULATION NO. 3 OF 8 JUNE 2010 ON ACCOMODATION COMPANIES REFERRED TO IN TITLES I AND III OF LAW NO. 22/2006 "FRAMEWORK LAW ON TOURISM"

#### Art. 1

Article 13, paragraph 3 of Regulation no. 3 of 8 June 2010 shall be amended as follows: "Open-air accommodation facilities shall be classified by stars, as provided for in Article 2 of this Regulation."

#### Art. 2

Article 15, paragraph 4 of Regulation no. 3 of 8 June 2010 shall be amended as follows: "4-star facilities shall have 20 to 30 percent of the pitches equipped with mains water point and grey waste drainage connected to the sewage system"."

#### Art. 3

Article 16 of Regulation no. 3 of 8 June 2010 shall be amended as follows:

"1. In order to guarantee a better quality of accommodation, the areas used as campsites and tourist villages shall have a minimum surface of 10,000 square metres.

2. The maximum density shall not exceed 90 family units and 360 persons per hectare.

3. An emergency exit in a position that ensures easy evacuation of guests in the event of an emergency shall be guaranteed.

4. The ground shall be equipped in such a way as to facilitate the drainage of rainwater and to allow easy access for vehicles, including towing vehicles.

5. The installation of awning tents, including those connected to the technological systems, shall be permitted for mobile accommodation vehicles, for a surface area of no more than 18 square metres.

6. It shall be permitted to set up service accommodation for the caretaker and/or service staff.

7. It shall be permitted to carry out accommodation activities also in outbuildings, which may be located in areas other than the main building, but at a distance of no more than 200 m as the crow flies. Outbuildings shall be smaller than the main building.

8. Open-air accommodation facilities shall have a car park with at least one parking space per pitch or accommodation unit, which may be located on the pitches, in reserved areas inside the facility or outside the area of the accommodation facility.

9. In open-air accommodation facilities with an authorised capacity of more than 500 guests, which are located more than 5 km from the nearest emergency department, an 8/24 hour emergency service with a qualified nurse and a doctor on call shall be provided.

10. The toilets shall be made of masonry or other suitable materials to ensure ease of cleaning, even if prefabricated.

11. All premises in which sanitary equipment is installed shall have walls covered with impermeable and washable materials, at least up to two metres. The floors shall be impermeable, preferably made of stoneware or ceramic, and shall have a drain with a siphon to allow jet washing.

12. Toilets shall have direct ventilation from the outside or be equipped with adequate mechanical ventilation. They shall have a minimum surface area of 0.80 square metres (1.20 for new buildings) and a door that can be locked from the inside.

13. Closed showers shall be installed in premises having a a minimum size of 0.80 square metres (1.20 square metres for new buildings) and the door shall be lockable from the inside. The floor shall be made of non-slip material.

14. Dishwashing sinks with draining racks and laundry sinks shall be separate from other hydrosanitary facilities. Solid waste bins shall be placed near them.

15. Permanent accommodation units shall have the following characteristics:

- a) They shall be made of traditional masonry or of prefabricated materials and shall be firmly fixed to the ground;
- b) They shall be subject to a building permit and shall comply with building and health and hygiene regulations;
- c) Minimum furnishings shall include: beds, table, chairs, a gas cooker with a minimum of 2 burners and a refrigerator. Any gas cylinder shall be placed outside;
- d) Hot water supply shall be guaranteed;
- e) The bathroom shall be equipped with washbasin, shower and WC.

16. Mobile accommodation units, commonly referred to as caravans, campers and mobile homes, shall not be subject to any building permit or authorisation, provided that they are not permanently fixed to the ground in any way and that the facility operator guarantees in writing the rotation of clients, under penalty of revocation of the authorisation. In addition, the rotation mechanisms of mobile accommodation units shall be kept in operation and the connections to the technological networks shall be removable at all times.

17. All mobile accommodation units, except for tents and caravans, shall be supplied with hot water and shall have a reserved outdoor area, including a parking space, equal to their maximum dimensions, without prejudice to the minimum size of the pitch allowed for each classification level.

18. The equipment and installations shall be maintained in good and efficient working order, also in relation to safety regulations. The condition of the furnishings shall be appropriate to the classification level"."

#### Art. 4

Table A of the Annex to Regulation no. 3 of 8 June 2010 shall be repealed and replaced by Table A of this Regulation *"Table A - Hotel classification"*.

### Art. 5

Table B of the Annex to Regulation no. 3 of 8 June 2010 shall be repealed and replaced by Table B of this Regulation *"Table B - Residential hotel classification"*.

Done at Our Residence, on 2 December 2010/1710 since the Foundation of the Republic.

THE CAPTAINS REGENT Giovanni Francesco Ugolini – Andrea Zafferani
